

**STATE OF CALIFORNIA
CALIFORNIA NATURAL RESOURCES AGENCY
Central Valley Flood Protection Board**

RESOLUTION NO. 2019-16

WHEREAS, the Central Valley Flood Protection Board honors Congresswoman Doris Matsui's efforts, contributions, and accomplishments as a champion and staunch advocate for flood protection in the Sacramento region; and

WHEREAS, Congresswoman Matsui represented the city of Sacramento and its surrounding areas since 2005 and quickly became known in Washington as a resourceful, forward thinking, and influential advocate for the people of her region; focused on public safety and improving the lives of her constituents; and

WHEREAS, some of Congresswoman Matsui's achievements in reducing flood risk for the Sacramento region are as follows:

2007 - Federal authorization for the American River Watershed Folsom Dam Modifications Project changed to consist of a new auxiliary dam and spillway (Joint Federal Project) in the Water Resources Development Act (WRDA).

2014 - Federal appropriation and authorization for the U.S. Army Corps of Engineers to construct the Natomas Basin Project of the American River Watershed Common Features in the 2014 WRDA – appropriation of \$1,147,280.00

2016 – Federal appropriations and new construction start for the Natomas Basin Project.
Completion of the American River Levees Project of the American River Watershed Common Features - \$320 million project.
Federal appropriation and authorization for the U.S. Army Corps of Engineers to construct the 2016 American River Watershed Common Features Project in the 2016 WRDA – appropriation of \$1,595,761.00.

2017 – Completion of the South Sacramento Streams Project - \$110 million project.
Completion of the American River Watershed Folsom Dam Modifications (Joint Federal Project) – \$1 billion project.

2018 - Secured Emergency Supplemental funding for two Sacramento projects - \$1.8 billion appropriated for disaster relief and continued funding for the 2016 WRDA American River Watershed Common Features Project (received \$1,565,750.00 construction funding), and Folsom Dam Raise Project (received \$216,523,185 construction funding).

NOW THEREFORE BE IT HEREBY RESOLVED THAT for Congresswoman Matsui's long and distinguished service, her sincere concern for public safety, and her tireless advocacy of flood protection, we honor and thank Congresswoman Matsui for her outstanding service to the State of California, and to the Sacramento region and its residents. It is also hereby resolved that this resolution be engrossed in the official minutes of the Board and a suitable copy be provided to Congresswoman Matsui.
